## IMPACT | MENTORING PROGRAM

### ABOUT THE PROGRAM

**Are you looking for support to reach your personal and professional potential?**

The Explore Potential Mentoring Program will accelerate your personal and professional growth as a high potential individual in a supportive and confidential environment.

The program runs over 12 months, with 10 personalised face-to-face sessions to guide and support your personal leadership.

The Impact program provides you with practical strategies, tools and resources to develop your personal success toolkit and set meaningful goals.

### MENTORING PROGRAM OUTCOMES

- Greater self-awareness and capacity for self-reflection.
- Greater clarity on values and personal leadership style.
- Increased ability to set meaningful and measurable goals.
- Accountability for performance.
- Improved communication and influencing skills.
- Access to a broad range of perspectives and experiences to resolve issues and identify practical solutions with a strategic focus.
- Leverage your strengths and minimise blind spots.
- Improved ability to work collaboratively with others, and appreciate the value of diversity of experiences, backgrounds and personalities.

**Participants will be guided in building their network.**
